### **Time schedule**

We suggest the following time schedule:

- Saturday:      Arrival at Munich airport and transfer to the hotel.
- Sunday:        We start with an introduction, site visits and a guided tour through Munich
- Monday         summer courses 9 am – 3 pm  
-Friday
- Saturday:      excursion e.g. to Neuschwanstein castle
- Sunday:        departure

### **Possible summer courses**

All courses are subdivided into 3 modules

- Introduction part:  
  Within seminars the students develop case contents.
- Project part  
  The students create their own project with professional support
- Presentation part  
  The students present their creative works

### **Media arts camp – [Prof. Tanja Schmitt-Fumian](#)**

The students design and create their own media project within 5 days. They can chose their focus on art or design orientated work.

- conception, development and practical realization of a media project
- establishment of an exhibition to present their works
- comparison of different ways of presentations to see the effects of presentation and representation
